2024 KIDSAVE MIRACLES GALA

SPONSORSHIP OPPORTUNITIES

Twenty-five years ago, a single visit to a Russian Orphanage created a ripple effect that has changed the lives of over 500,000 children and families worldwide.

That visit opened the eyes of our founders,
Terry Baugh and Randi Thompson,
to the plight of older children in orphanages and foster care.

It lit a fire inside them to do something
to change the outcome for kids who were seen as
"too old to be adopted."

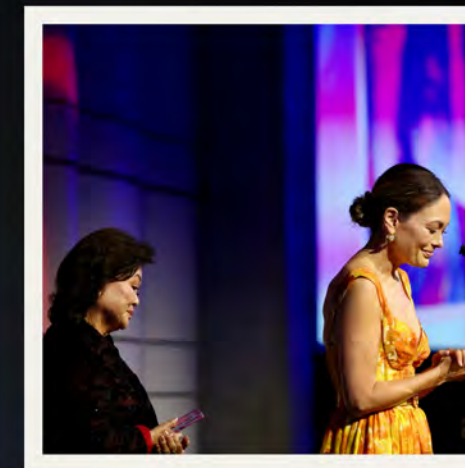

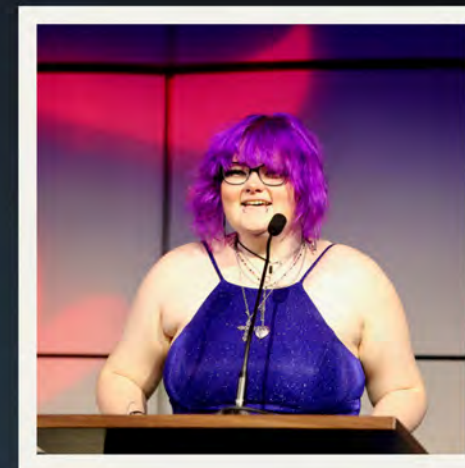

AND SO KIDSAVE WAS BORN.

Today, Kidsave champions the forgotten and overlooked children of foster care and orphanages both here in the U.S. and around the world in places like Colombia, Sierra Leone, and Ukraine.

As we celebrate our 25th anniversary,
we pause to celebrate how far we've come,
but more importantly we celebrate the changes still to come
and the life-changing work we continue to do.

With your support,
we can continue to create generational change.
We can champion these kids and help them find
a forever family that will care for, support,
and love them for who they are.

JOIN US FOR OUR KIDSAVE MIRACLES GALA AS WE CELEBRATE 25 YEARS OF LOVE & FAMILY.

Our *Kidsave Miracles Gala* is our major fundraiser for the year, with **100% of funds raised going directly to our life-changing programs** in the U.S., Colombia, Ukraine, and Sierra Leone. Your support will directly help change the lives of older kids growing up in care by connecting them to lifelong mentors and loving, supportive forever families.

One connection is all it takes to give these kids a chance to thrive.

Celebrating our 25th year, Kidsave's track record and proven **Family Visit Model** model for connection has directly found families for over **15,000 young people** and thousands more through training governments and social workers worldwide.

Our Kidsave community across the nation will see your support of families.

As a Sponsor, you'll also receive a special invitation to join our Miracles Gala in **Los Angeles** or **Washington, D.C.**, where you'll hear from Kidsave kids and families you are helping support and create.
